

Commercial Perimeter Wall

Permit Application Guide

This document is intended to offer guidance for the permit application process. It should not be considered all-inclusive, as the unique nature of a project could require additional documentation.

This guide contains minimum permit application filing requirements for commercial perimeter wall.

Accela Instructions: See [Guide to Starting an Online Permit Application](#) for easy-to-follow instructions.

Permit Application Type (Important Note: Use of incorrect record type may delay your permit.)

Select Accela Record Type: Commercial Miscellaneous

Permit Category: Walls

Permit Type: Privacy/Retaining Wall

Commercial Perimeter Wall Permit Application Guide

b. Energy Calculations must have a Private Provider stamp.

4. Contact Reference Form.

Signature Requirements

Notice to Building Official must have *notarized* signature from Property Owner.

Compliance Affidavit must have *notarized* signature from Private Provider.

When Required

Documentation must be submitted with project application if Private Provider firm is performing plan review services.

Important Note

Projects with Private Provider Inspections Only

Although not a requirement for application acceptance, clients who intend to use Private Provider Inspections only are strongly encouraged to submit their documentation with the permit submittal to mitigate avoidable delays after issuance. (Submit all items above, except for PP3.)

If the Private Provider has not yet registered with the City of Tampa, please visit our website for additional details: [Private Provider Registration Checklist](#).
