**WHEN IN DOUBT,
LEAVE IT OUT!**

Don't worry about the little numbers on products or if it has the recycling symbol. If it's not included in this guide, don't put it in your cart.

Avoid wishcycling: tossing questionable items in your cart and hoping it will be recycled.

All items collected are sorted locally and sent to different manufacturers to be made into new products! Recycling supports local economies, conserves energy, and saves natural resources.
