September 2026 In-house Paving Report

Tampa City Council Update

There are approximately 1,212 miles of City-owned roadways. Projects are scheduled each year for design and resurfacing in accordance with approved funding levels. Resurfacing roadways enhances safety and the level of service for the traveling public. Below is a list of the primary maintenance categories that are being tracked. We have provided maintenance statistics for the month along with the maintenance locations.

September Work Locations and Descriptions

N. Willow Ave @ W. Waters Ave (In-House)
