There are Two Ways to Manage Inspections:

Allow the system to prompt you

Begin the text with an Inspection Option. Enter: Schedule, Cancel, Reschedule, or Results. (Or, simply enter "S", "C", "RS, or "R") Then, just follow the prompts.

Or, you may also use Express Commands

Use Express Command to enter the Inspection information without prompts:

To **SCHEDULE** an inspection, text:
S [permit number] [inspection code] [mm/dd]

To **CANCEL** an inspection, text:
C [permit number] [inspection code]

To **RESCHEDULE** an inspection, text:
RS [permit number] [inspection code] [mm/dd]

To **CHECK RESULTS** on an inspection, text:
R [permit number]

FORMAT FOR ENTERING EXPRESS COMMANDS:

SCHEDULE:	**S BLD-23-0499717 101 07/16**
CANCEL:	**C BLD-23-0499717 101**
RESCHEDULE:	**RS BLD-23-0499717 101 07/16**
