

Wyoming Flooding Relief PH I

Flooding Relief FY2017, District 4

Estimated cost: \$150K

- **Project Description:**

This project will evaluate the entire neighborhood and provide a solution to reduce flooding and convey water to existing system on Leila and Elkins Ave.

- **Justification:**

Development in the vicinity of Wyoming/Trilby/Thornton Avenue utilizes a system of drainage ditches to collect runoff. The ditch system has been compromised by roots of large trees and improper installation of culverts.

- **Related Issues:**

This project will be phased over two years.
