Restaurant & Retail Recovery Program – Phase 1

- **April 29 Governor's Order** -Phased re-opening of restaurants and retail beginning Monday, May 4
  - limiting capacity to 25%
  - 6-feet separation between patrons

- **City of Tampa Business Recovery Initiative – Phase 1** – Program to enable businesses to <u>expand capacity</u> and safely serve more patrons.
  1. Enable use of Private sidewalks for Seating or Retail Space (subject to landlord/mgt approval)**
  2. Approve Parklets in public ROW and/or on-street parking
  3. Establish 8 'Business Recovery Zones' (Street Closures)

- **14 Day Pilot**

Temporary Use of Sidewalk

<u>Sidewalk Activation</u> – temporary use of sidewalk for restaurant seating or retail

- Temporarily waiving permit requirement
- Limited to adjacent frontage
- Subject to landlord/property management approval, if applicable
- ADA and other access standards and guidance apply
- 6-foot separation (backs of chairs) must be met

Parklets

Parklets – Enable temporary use of on-street parking or other ROW (private or public)
- Traffic operations unchanged
- Each business must activate and appropriately protect its own space per guidance document
- Must remove daily
- Subject to landlord/property manager approval, if applicable
- May not use spaces designated for disabled parking
- For use of metered spaces:
  - Initiate requests to the City's Mobility Team via the Recovery Call Center (833-TPA-INFO)
  - City to bag metered spaces

2 feet

Please note: Parklets should not be located within 15 feet of a fire hydrant.

36-inch tall orange reflectorized traffic cones must be placed 10 feet apart between barriers and edge of travel lane

Parklet seating must be separated from traffic by at least 2 feet using barricades or self standing planter boxes.

5

Business Recovery Zones

- 8 designated 'Recovery zones' (street closures) for businesses in concentrated areas

- Closure materials will be left in place for the 14-day pilot (except SOHO)

- Outdoor space may be used during normal business operating hours (except SOHO)

- 6-feet separation of tables/chair backs required; no loitering

- Intended to help restaurants expand capacity – **not to create a gathering or social space**

Business Recovery Zones
