## ORDINANCE NO. 307.

An Ordinance for the Purpose of Reorganizing the Fire Department of the City of Tampa, and Placing the Employees Thereof upon a Basis of Merit and Otherwise Regulating the Conduct and Government of the Same.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF TAMPA:

Section 1. Save as to the Chief of said Department, who is appointed under the provisions of the City Charter, all appointments therein shall be made according to merit and fitness, to be ascertained, so far as practicable, by examinations which shall be competitive.

Section 2. No person shall be employed in said Department who shall not have furnished satisfactory evidence, as hereinafter provided, in regard to character, physical manhood, and age, and who shall not have passed a satisfactory examination in speaking, reading and writing the English language, and who shall not have disclosed his fitness for such employment upon examination as to the special and technical knowledge required by such employment; but this examination as to special and technical knowledge shall not apply to those employees in said Department at the time of the passage of this ordinance, provided they possess the other qualifications required.

Sec. 3. The Committee on Water Works, Fire Protection and Electricity shall be and the same is hereby constituted a Commission for the purpose of conducting the examinations herein provided for, and the Chairman of said Committee shall be the Chairman of said Commission, and in the conduct of said examinations the Chief of said Department is required to assist, but he shall have no voice in the preparation of the eligible list from which appointments are to be made.

Sec. 4. Within ten (10) days after this ordinance goes into effect the said Commission shall meet in the Council Chamber of the City of Tampa and shall at said time conduct the examinations herein provided for as to all those who have made application for employment in said Department, but preference in appointment shall be given to those who are employed in the Department at the time of the passage of this ordinance, providing they otherwise come within the provisions hereof, and the next in order of preference shall be such former employees in said Department who retired from its service voluntarily, and the said Commission shall sit from day to day until said examinations have been completed.

Sec. 5. The said Commission shall give five (5) days' notice (as to the hour and day) upon which it shall convene for the purposes mentioned in the preceding section, and all persons who are otherwise eligible shall be permitted to stand the examinations, providing their applications have been filed with the Chief of the Fire Department on or before two (2) days preceding such examination.

Sec. 6. No person shall be eligible for employment in said Department who is not a citizen of the United States, or who has ever been convicted of any crime and not restored to civil rights, and who shall not have resided in the State six (6) months, or in the County three (3) months, or in the City one (1) month; and all applications must be not less than five (5) feet and six (6) inches in height and weight not less than one hundred and thirty-five nor more than two hundred and five (205) pounds.

Sec. 7. That the City Physician be and he is hereby made a member of said Commission for the purpose of conducting a physical examination of each applicant, and no person shall be eligible to appointment in said Department who does not pass said physical examination to the satisfaction of the City Physician.

Sec. 8. Each applicant shall, at the time of filing his application with the Chief of the Fire Department, also furnish as references for character the names of at least three responsible business men in the City of Tampa, and his application shall be in the form heretofore prescribed and now being used in said Department.

Sec. 9. After said examinations have been held the Commission shall take charge of the examination papers and shall rate the applicants according to the Manual of Examinations prescribed by the United States Civil Service Commission as a schedule of examinations for the spring of 1903, in so far as the same is applicable and not in conflict with the provisions of this ordinance, and it shall be necessary to obtain an average per centage of seventy (70) per cent. to be eligible for appointment under the provisions of this ordinance, and rating the maximum per centage at one hundred (100), moral character shall count as twenty-five (25) per cent., physical condition as twenty-five (25) per cent., practical and special knowledge as twenty-five (25) per cent., and knowledge of the English language as twenty-five (25) per cent., but as to those who by the provisions herein are not required to pass the examination upon special and practical knowledge, the physical condition shall count as fifty (50) per cent.

Sec. 10. When all the applicants have been rated as herein provided for, the Commission shall prepare an eligible list of all those who have obtained an average per centage of seventy (70) per cent, graded according to the respective merits of each applicant, and said list shall be certified to the Chief of the Fire Department, and the said Commission acting as a Committee of the City Council upon Water Works, Fire Protection and Electricity shall at the same time designate the number of men to be employed in said Department, and from said eligible list the Chief of the Fire Department shall make the appointments and report the same to the City Council, and in making said appointments he shall make them in rotation commencing with the first name appearing upon said list.

Sec. 11. The willful deception of an applicant in matters pertaining to his examination, and the furnishing or receiving of information to or from others, pertaining to said examination, or any other conduct unbecoming a gentleman while said examination is being conducted, shall disqualify any applicant for appointment in said department and any applicant guilty of any such conduct shall not have his name placed upon the eligible list.

Sec. 12. Whenever a vacancy occurs in said Department, either by death, resignation or otherwise, the Chief of the Fire Department shall fill such vacancy from the eligible list so certified to him, beginning with the name first appearing upon said list as each vacancy shall occur, but if at any time the said eligible list has been exhausted, or no one upon said eligible list appears to fill such vacancy in accordance with the provisions of this ordinance, after said vacancy has been advertised for a period of five (5) days, then in that event the Chief of the Fire Department shall notify the Commission and the Commission shall at once hold an examination, after giving five (5) days' notice thereof as hereinbefore provided; and the said Commission may from time to time hold such examinations as it sees proper in anticipation of any vacancies that may occur in said Department, so that there will be at all times an eligible list in the hands of the Chief of the Fire Department.

Sec. 13. The rules and regulations for the government of the Fire Department of the City of Tampa, approved by an ordinance and adopted on the 10th day of May, A. D. 1895, shall continue in full force and effect save and except when any of the provisions of said rules and regulations conflict with the provisions of this ordinance, and the officers of said Department, as provided for by said rules and regulations, shall be appointed upon a basis of merit, and by the Chief of the Fire Department upon the recommendation of the said Commission.

Sec. 14. Any officer or employee in the said Department intending to resign his position shall give at least thirty days' notice thereof before his resignation shall go into effect, unless by special permission obtained

from the Committee of the City Council on Water Works, Fire Protection and Electricity, he is permitted to do otherwise, and before any applicant shall become an employee or officer of the said Department he shall appear before the City Clerk and subscribe to the oath prescribed by section 12 of the City Charter.

Section 15. No employee in the Fire Department shall be required to perform any service except such as are required by the ordinances of the City of Tampa and the rules and regulations governing said Fire Department, and such other services as the very nature of his employment demands, and no employee in the said Department shall be suspended or discharged save for good cause, in accordance with the provisions of Section 43 of the Codification of the Ordinances of the City of Tampa, adopted by Ordinance No. 277, and if any employee in the Fire Department have an official grievance against the Chief of the Fire Department he shall have the right to make the same known by complaint to the Mayor of the City of Tampa, and any discrimination against said employee by the Chief of the Fire Department on account thereof shall be sufficient cause for the removal of the said Chief of the Fire Department under the provision of the City Charter, and if any employee have an official grievance against any other officer of the said Department he shall have the right to make complaint to the Committee on Water Works, Fire Protection and Electricity, who shall investigate the same and do justice in the matter and the said Committee shall have power, if the grievance is sufficiently serious, to direct the Chief of the Fire Department to prefer charges against said officer.

Sec. 16. In the event at any time or for any reason there should be a reduction as to the number of the employees in the said Fire Department, the Chief of the Fire Department shall report to the Commission the names of all the employees in said Department, and the Commission shall make an investigation as to the efficiency of said employees, and the least efficient shall be selected as the ones to retire from said service, taking into consideration the length of service in the Department along with the other qualifications, but such employees so laid off shall have preference when filling any vacancy that may occur according to their respective merits.

Sec. 17. No employee shall be required or permitted to take part in the management of political organizations, caucuses, conventions or election campaigns, but the right of such employee to vote and express his views on public questions, either orally or through the press, is not denied, provided it does not interfere with the discharge of his official duties.

Sec. 18. The officers and employees in said Department be and the same are hereby prohibited from organizing said Department or any of its members into any union, society or organization in affiliation with any union or unions, organization or organizations, society or societies, and membership in any such union, organization or society, affiliated as aforesaid, shall render any applicant ineligible for appointment or employment in said Department, and shall be just cause for dismissal or discharge from service in said Department.

Sec. 19. From and after the passage of this ordinance and until the reorganization of the Fire Department under the provisions hereof, the Committee of the City Council upon Water Works, Fire Protection and Electricity shall possess the same powers and perform the same duties as are imposed upon and required of them by section 42 of the Codification of the Ordinances of the City of Tampa, but after the reorganization of said Department under the provisions of this ordinance said section 42 of the Codification of the Ordinances of the City of Tampa be and the same is hereby repealed in so far as the same conflicts with any of the provisions of this ordinance or the rules and regulations for the government of the said Fire Department herein adopted.

Sec. 20. All ordinances and parts of ordinances in conflict herewith be and the same are hereby repealed.

Passed by the City Council of the City of Tampa, Fla., this 20th day of February, A. D. 1906.

Sec. 23. Endeavor to detect and obtain evidence to convict parties from sending in false alarm for fire.

Sec. 24. Any officer or member of the Fire Department guilty of transgressing any law, ordinance, rule, resolution, regulation, circular orders, general, special or verbal, may be reprimanded, fined, suspended from duty

or be dismissed from the service of the Department, as the Fire Committee may determine, and any person so dismissed shall never be allowed to become a member of the Department again.

Sec. 25. The man or men on day watch will stay inside of the station, listen for the telephone, see after the horses and keep the floor in a clean condition, and not lounge around on the outside of the station.

Sec. 26. The telephones in the stations must only be used on business connected with the Fire Department, to call a doctor, or for a member to talk to his family for a few moments at a time. And at no time will a lengthy conversation be allowed.

Sec. 27. A man having a day off will not be expected as a substitute for a man wishing to get off on a leave of absence, as a man with a day off is subject to fire duty and therefore cannot fill a substitute's place, nor can a member having a day off leave the city without the permission of the Chief of the Fire Department.

Approved by the City Council of the City of Tampa this 28th day of June, 1895.

I found this book  
in my husband's  
things when he  
passed away. (2008)

He was a Captain  
on the Tampa Fire Dept -  
retired in the late 70's.

His name was  
James Rutland

Captain Bill Upde noted  
this would be a great  
addition in the museum.

Janet Rutland

PS - I don't know how it  
came to be in his possession.
