

# New Mandatory Outdoor Watering Restrictions Starting December 1, 2023

## KNOW YOUR DAY, TAMPA BAY!

Your watering day may have changed!  
Watering days are based on the last number of your house address.

SUN	MON	TUE	WED	THU	FRI	SAT
	0 or 1	2 or 3	4 or 5	6 or 7	8 or 9*	

\* Friday is the designated watering day for locations that have no street address (such as common or entry areas) or have a mixed addresses (such as office complexes and shopping centers).

**1 DAY A WEEK WATERING LIMIT.**  
No watering is allowed between  
8am and 6pm.

1234 Main Street, Tampa, FL

If the address ends in **4**,  
then your allowed  
watering day is  
**Wednesday**

## PFAS Test Results Available from EPA Study of Drinking Water

The Tampa Water Department's top priority is providing high-quality, clean, safe drinking water to residents and businesses in our service area. The water we provide is safe and meets or is better than state and federal drinking water regulations.

We are participating in a study to help the U.S. Environmental Protection Agency (EPA) determine regulations for unregulated contaminants, including per- and polyfluoroalkyl-substances (PFAS). Testing of treated drinking water began earlier this year and the latest quarterly results are now available.
