

2024 Water Quality Report Now Available Online

The Tampa Water Department is dedicated to providing our community with clean, high-quality drinking water.

Our staff works around the clock to ensure that the water flowing to your home or business meets all state & federal regulations.

Read our latest Water Quality Report to get a transparent look at where your water comes from, how we treat it, and how we're preparing for the future.

*We don't just meet water quality standards —
we strive to surpass expectations.*
