

Do Your Part, Make Every Drop Count

The Tampa Bay area is under a **Phase 1 Water Shortage Order**.

Your efforts to conserve water are more important than ever.

Please remember that lawn and landscape watering is limited to **one day per week**, under the City of Tampa's water use restrictions.

Don't forget to:

- ✓ Check your watering day: Visit tampa.gov/WaterRestrictions
- ✓ Find & fix indoor and outdoor leaks
- ✓ Avoid wasteful and unnecessary use of water

Have questions? Email SaveWater@tampa.gov

Thank you for doing your part to save water!
