

Tampa Convention Center Welcomes You Back

We are happy to re-open our facility and welcome back our guests. Below are ways that you can help us achieve success in our goal to keep everyone safe. We ask that all guests comply with the following measures being implemented:

- ✦ Cooperate with Temperature Checks when administered
- ✦ Use CDC Recommended Facial Coverings
- ✦ Wash Hands Frequently
- ✦ Maintain 6' Physical Distancing
- ✦ Keep your group size to 10 or less
- ✦ Follow One Way Foot Paths as noted
- ✦ Utilize Hand Sanitizer Stations
- ✦ Follow Team Member Directions

To ensure your safety on our property, you will find hand sanitizers throughout the venue, social distancing markers, restroom attendants in all open restrooms, increased customer service attendants throughout the facility, new food & beverage delivery protocols, improved crowd control measures, reduced capacity levels and enhanced sanitization standards.

Remember, we are stronger when we work together. Thank you in advance for your continued assistance and support.

We hope you enjoy the show!

PLEASE NOTE

The CDC advises that older adults and people of any age who have serious underlying medical conditions might be at higher risk. Any public location where people are present provides an inherent risk of exposure to COVID-19 and we cannot guarantee that you will not be exposed during your visit.
