ABOUT THE PROJECT

The City of Tampa is designing two projects that will resurface West Cypress Street from North O'Brien Street to North Boulevard. Phase I covers about 1.9 miles of West Cypress Street from North O'Brien Street to North Himes Avenue. In addition to resurfacing the roadway to provide a safe and reliable driving surface, the project will refresh signing and pavement markings, and upgrade sidewalks and reconstruct pedestrian curb ramps for pedestrian accessibility. Design for this phase is about 60% complete.

ACCESSIBILITY:

Persons with disabilities needing a reasonable accommodation should contact the City of Tampa ADA Coordinator at least 48 hours before the meeting at 813-274-3964, TampaADA@tampagov.net, or tampa.gov/ADARquest.
