

Project Information Session + Diversity Outreach

CITY CENTER AT HANNA AVENUE DESIGN-BUILD PROJECT

PROJECT OVERVIEW

DPR Construction is seeking principal trade partners to submit bids for the furnishing of labor, material, and equipment for the City Center at Hanna Avenue Design-Build project. There will be four distinct structures: Main Municipal Office Building Tenant Interiors, Parking Garage, Central Fleet Building, and Facilities Building.

EVENT OVERVIEW

On April 7, 2022, DPR Construction will host a project information session at 3:00 PM at Ragan Park Community Center. The purpose of this session is 1) to update the Tampa citizens and business owners to the status of City Center at Hanna Ave Design-Build project, 2) provide an update on the current bid packages available and to come in relation to the project, and 3) to introduce the community to our partners – Strategist Support Services, DuCon LLC, and Ariel Business Group.

AGENDA

- Team and Partners Introduction
- Project Update
- Procurement Opportunities
- Bidding Preparation
- Q&A
