What is a Design Workshop?

A Design Workshop is a collaborative planning process that uses the talents and energies of all interested parties to create a plan that improves **Safety** and **Mobility for All**.

What to Expect:

- Provide input on your vision of Main Street and what it means to your neighborhood or business
- Generate bold ideas that will bring your vision to life
- Collaborate with engineering and planning professionals on design solutions

In accordance with the Americans with Disabilities Act (ADA), persons with disabilities needing a reasonable accommodation to participate in this meeting should contact the City of Tampa's ADA Coordinator at 813-274-3964, email at TampaADA@tampagov.net, or by submitting an ADA - Accommodations Request online form available at tampa.gov/ADARequest.
